All prices are in EUR and include 9.5% VAT. Several day skipasses include night skiing.

One child up to 6 years of age, accompanied by one parent, can ski for free, only in case the ski pass control and the device are used together with their parents or an accompanied adult. If the child uses the device by himself, then he needs a valid child ski pass. In case of using a ski school or an organized course, all children are required to have valid child ski passes.

Children skipasses are not valid on baby lift.

When buying children, youth and senior ski passes, a personal identification document must be submitted at the sales desk. All types of ski passes are non-transferable and are withdrawn in case of misuse without any confirmation of withdrawal from the employees of RTC Žičnice Kranjska Gora d.d.

The company reserves the right to change prices and types of skipasses without prior notice. General terms and conditions of the company RTC Žičnice Kranjska Gora d.d. are fully published on our website.
